

MULLEN CIRCLE BRAND

MACHINE OIL *#9400 Series*

**Mullen
Circle Brand
Blended Products:**

*Cutting Oils
Circle Cut #729
Soluble Oils
Synthetic Coolants*

*Semi-Synthetic Coolants
Rust Preventives
Cleaners
Grease*

*Hydraulic Oil
Compressor Oil
Gear Oil
Way Oil*

*Spindle Oil
Machine Oil
Synthetic Oil*

Made In U.S.A.

Mullen Circle Brand, Inc.
3514 West Touhy Ave
Skokie, IL 60076

Lubricants for Slides, Gears, Bearings

Machine Oils fulfill the need for a superior machine tool lubricant, one which offers good lubricity, rust protection and oxidation resistance.

Machine Oils also contain a proprietary heat stable tackiness additive to help negate the effects of centrifugal forces on the oil. This prevents "dry starts" by keeping a light coating of oil on the load bearing surfaces.

Machine Oils should be considered the lubricant of choice for light to moderately loaded bearing surfaces, even where wet conditions are common.
